After a busy weekend on campus which included a great MRISA performance on Saturday evening, both of elementary and secondary schools had assemblies this week. This included recognition of the maids and gardeners and academic awards for the secondary students. On Wednesday, the National Honor Society held an Induction Ceremony, welcoming two new members. ISE Elementary School EAL G4 & G5

The Grade 4 and 5 EAL students have been working on making short speeches. The students wrote and delivered speeches on their favorite special days. Speaking in front of a group of people in a language that is new to you is not easy but we are making steps in the right direction!

ISE Secondary School Assembly

It is always great to reward hard work by handing out the Honor Roll and Principal's Honor Roll certificates for high academic achievement. Even better when we do it during Spirit Week when some of our students are dressed in costumes!
