Dear ISE Families,

It is my great pleasure to welcome you to a brand new school year at the International School Eastern Seaboard! Whether you are returning to our community or joining us for the first time, I am excited for the learning, growth, and shared experiences that await us in the months ahead.

We are delighted to welcome **new faculty members** to our team, bringing fresh ideas, expertise, and passion to our classrooms. We also warmly welcome **new students and their families**—we are so glad you are here, and we look forward to seeing you thrive as Eagles.

We started our year together in the best way possible—our **Welcome Back BBQ and Parent Orientation on August 8** was a joyful opportunity to reconnect, meet new friends, and set the tone for a year of collaboration and community spirit.

You may have noticed some exciting **campus upgrades** over the summer:

- A new main entry that creates a warm and inviting welcome for all.
- A new secondary student common room, providing a comfortable space for our older students to study, socialize, and collaborate.
- Fresh paint across key areas of the campus, giving our school a bright and refreshed look.
- A new school store conveniently located next to the main entry—perfect for picking up ISE gear.

As we begin our school routines, I'd like to remind families that **student arrival should be no earlier than 7:30 am**, as there is no supervision available before this time. Thank you for helping us ensure the safety and well-being of all students.

The school day begins at 7:50 am and ends at 3:00 pm. The 7:50 am start time is the same as previous years, however the day ends 10 minutes earlier. We were able to gain 10 minutes by reducing the transition time after recess breaks. Students who ride the school bus will be dismissed at 2:55, and all students will be dismissed at 3:00. Pick up by car will begin after buses leave at 3:05, or parents may use the parking lot.

This year we also have the benefit that several of our newest teachers have spouses who are also experienced teachers. You may see one or two of our teacher spouses on campus from time to time as substitutes. This week we had extra help from Mr. Frank, the husband of our new first grade teacher Ms. Jenna Hancock. Thank you Mr. Frank!

Please welcome Ms. Lysha Kwanmuang, who you may know from our Ukulele after school club. She has graciously stepped in to support our music department after Mr. Wilson was unfortunately unable to return this year.

Looking ahead:

- August 27 we will have an Open House this event is for external families to learn about ISE, but all our current families are welcome to attend.
- September 1 ASA's will begin - sign ups will be shared soon!

This is going to be a year filled with learning, achievement, and community spirit. I am grateful for your continued partnership in making ISE a place where students feel at home, inspired, and ready to soar beyond limits.

Warm regards,
Emily Cave

WELCOME
PARENTS**

Last Friday, August 8th, new and returning parents joined us for an engaging start to the school year. They received important information about classes and school rules, met our teachers, and enjoyed meaningful conversations. We ended the day with a delicious barbecue—an excellent opportunity to socialize, strengthen connections, and kick off the year as a united ISE community.
