SUSTAINABLE DEVELOPMENT GOALS

ISE COMMUNITY CELEBRATING SUCCESS

Celebrating ISE Golf Success!

We are proud to recognize the outstanding performances of our talented ISE golfers this season:

Porsche (Grade 9)

1st Runner-Up with Team SRIXON at the Pro-Am Awards – Singha Pattaya Open! He also secured 2nd Runner-Up in the B Boy Division at the AMG Junior Golf Tour (Royal Hills Golf Resort, Aug 2–3, 2025) with impressive rounds of 78–76 (+12).

Mark (Grade 11)

Winner of the Class A-Boy Division I at the TKG Tour 2025–2026!

ISE COMMUNITY CELEBRATING SUCCESS

Celebrating ISE Golf Success!

Pin (Grade 7) – Our ISE golf standout continues an incredible season:

- Winner – TJGGA Optimist Junior Golf Tournament (Royal Hill Golf Resort & Spa)
- Winner – TJGGA Optimist Junior Golf Tournament (Dynasty Golf & Country Club)
- Winner – BG Sports Junior Golf Tournament 2025 (Watermill Golf Club & Resort)
- 2nd Runner-Up – Mandiri Ciputra Golf Preneur Junior Championship (Indonesia, Damai Indah Golf Course PIK)
- 1st Runner-Up – TGA Eastern #2 (Treasure Hill Golf Club)

Ryuki (Grade 7)

1st Place at the AMG Thailand Junior Golf Tour 2025 (Royal Hill Golf Resort, Aug 2–3, 2025). Competing in Class BB (Par 71, 6,405 yards), she delivered an outstanding performance with scores of 79 (+8) and 70 (–1).

👏 Congratulations to Porsche, Ryuki, Mark, and Pin for their dedication, skill, and sportsmanship on the course. Your ISE community is so proud of you!

ISE COMMUNITY CELEBRATING SUCCESS

We are proud to share that ISE student Merci and alumna Yeon Joo represented our school at the International Student Leadership Conference (ISLC 2025), held July 21-27 at the University of Maryland, USA. Selected from more than 100 applicants, they were among just two chosen from ISE to attend this global event.

Each morning, participants joined inspiring keynote sessions on mission and leadership, while afternoons were dedicated to collaborative workshops, working with peers from across Asia, including Vietnam and the Philippines. Beyond the conference, they also explored Washington, D.C., visiting museums and historic landmarks.

This was a remarkable opportunity to build leadership skills, connect with students from around the world, and experience U.S. culture. Merci shared that she would love to attend again if given the chance.

We are also excited to announce that the next ISLC Conference in 2026 will be hosted by Operation Smile Thailand in Bangkok—an incredible opportunity for students in our region!

CELEBRATING
SUCCESS**

Congratulations to Run for successfully completing the Engineering Immersion Program with The Friends for Asia Foundation! As one of only 11 students selected, Run had the opportunity to shadow engineers at multiple sites, including the Ford production plant and Don Muang Airport.

ISE G12 STUDENTS MEDICAL INTERNSHIP

Future Doctors in Training

During the summer break, three Grade 12 students aspiring to become doctors had the opportunity to immerse themselves in a real hospital experience at Samitivej Hospital, Sriracha from August 4–8, 2025. Over five days, they shadowed doctors across different specialties, gaining first-hand experience of what it means to work in the medical profession.

A special thank you to K. Pang for arranging this valuable internship opportunity for our students.

Next page you can read one of the students' reflections, and don't forget to scan the QR code to explore the full experience.

ISE G12 STUDENTS MEDICAL INTERNSHIP

👩 Future Doctor in the Making. (Andrew's Experience)

"I believe everyone's path is set when they are born. I was born with a hearing disability, which brought many challenges growing up. But it also gave me the inspiration to dream of becoming a doctor," shared one of our ISE students after completing a one-week hospital immersion at Samitivej Hospital in Sriracha.

Throughout the week, he observed and learned across departments including Emergency, Surgery, Cardiology, Pediatrics, and more. From practicing CPR and suturing to witnessing advanced imaging and endoscopic procedures, he gained valuable insight into the dedication and teamwork required in medicine.

This experience not only strengthened the student's passion for pursuing a career in medicine but also showed that with hard work, resilience, and collaboration, dreams can become reality."

If you would like to read the activities day by day, under Andrew's experience scan the QR code
