ISE ANNOUNCEMENT KHON KAEN School Donations

Donation Drive for Rural Schools in Khon Kaen

We would like to invite parents to join our donation drive to support underprivileged schools in rural areas of Khon Kaen Province.

You may contribute clothes, sweaters, socks, shoes, sports equipment, or school supplies to help students in need.

Please place your donations in the donation box located in front of the school office.

Grade 11

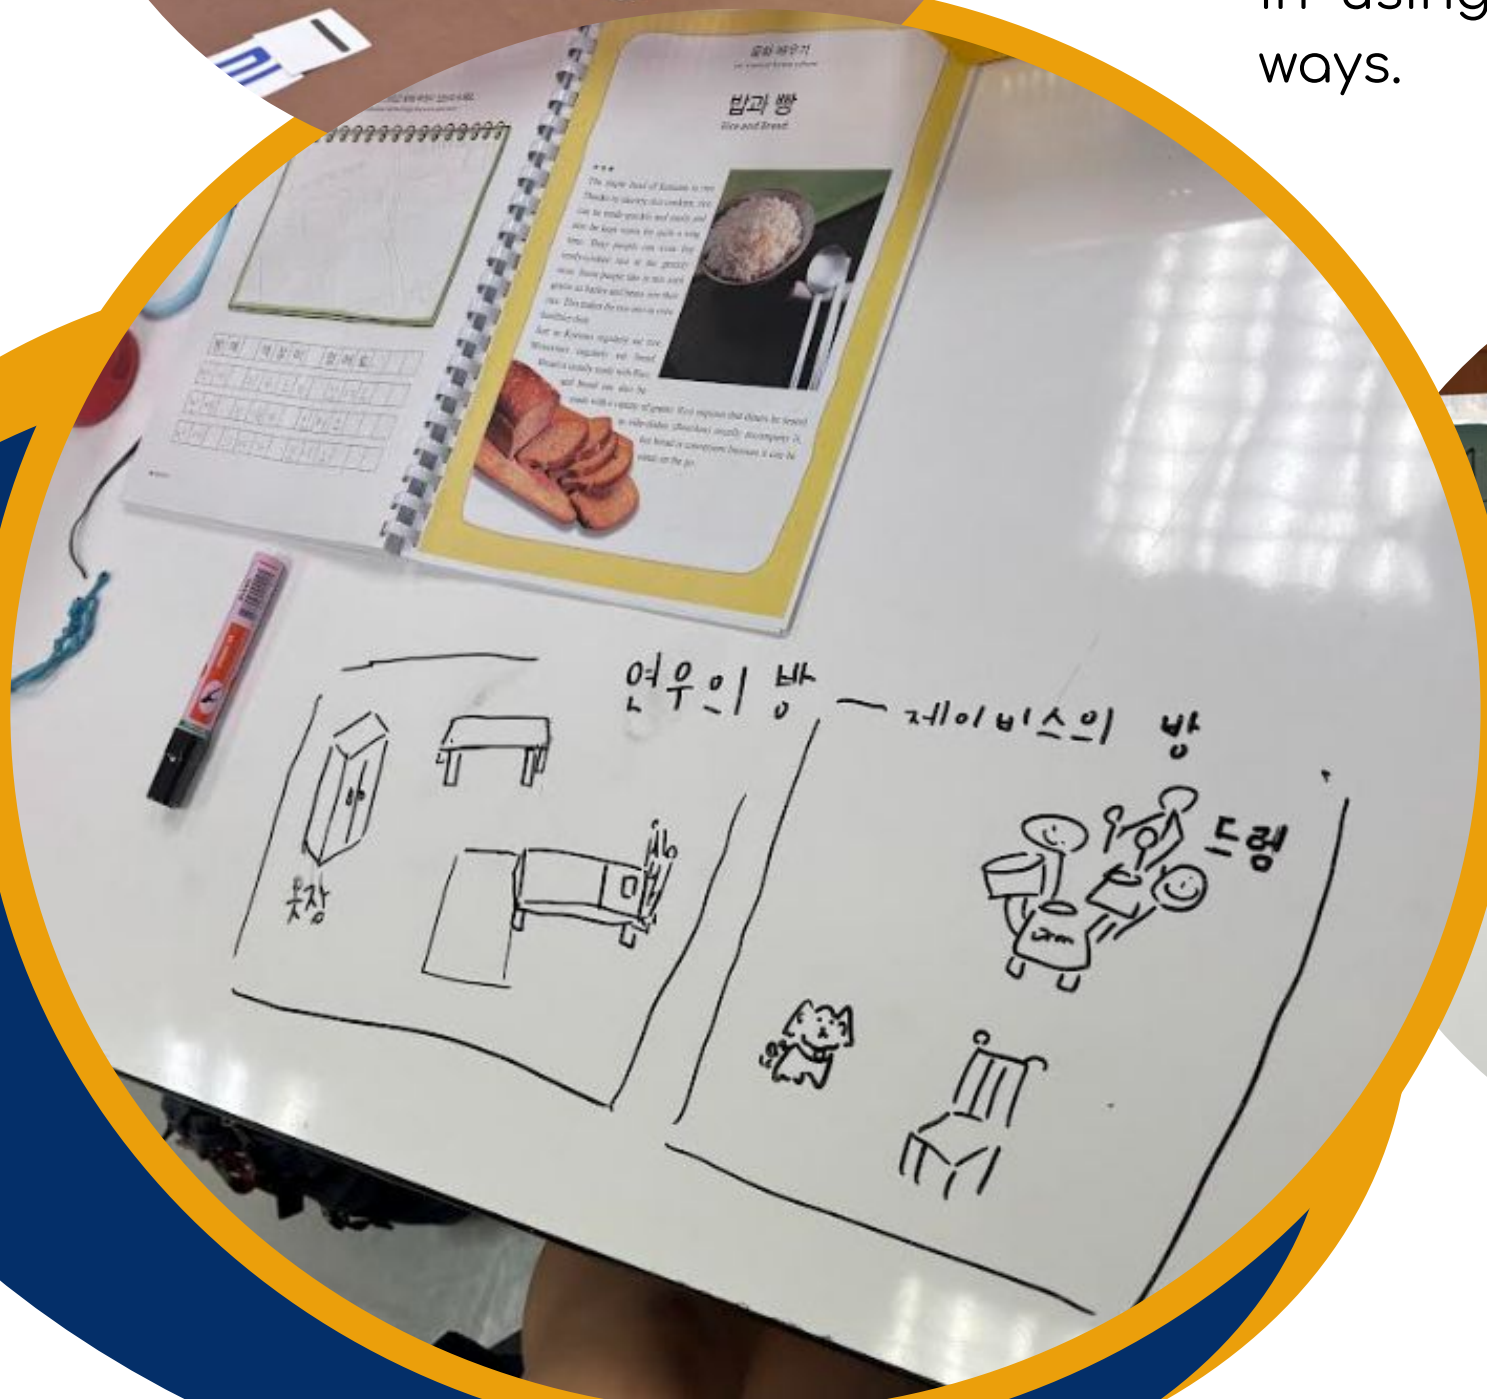

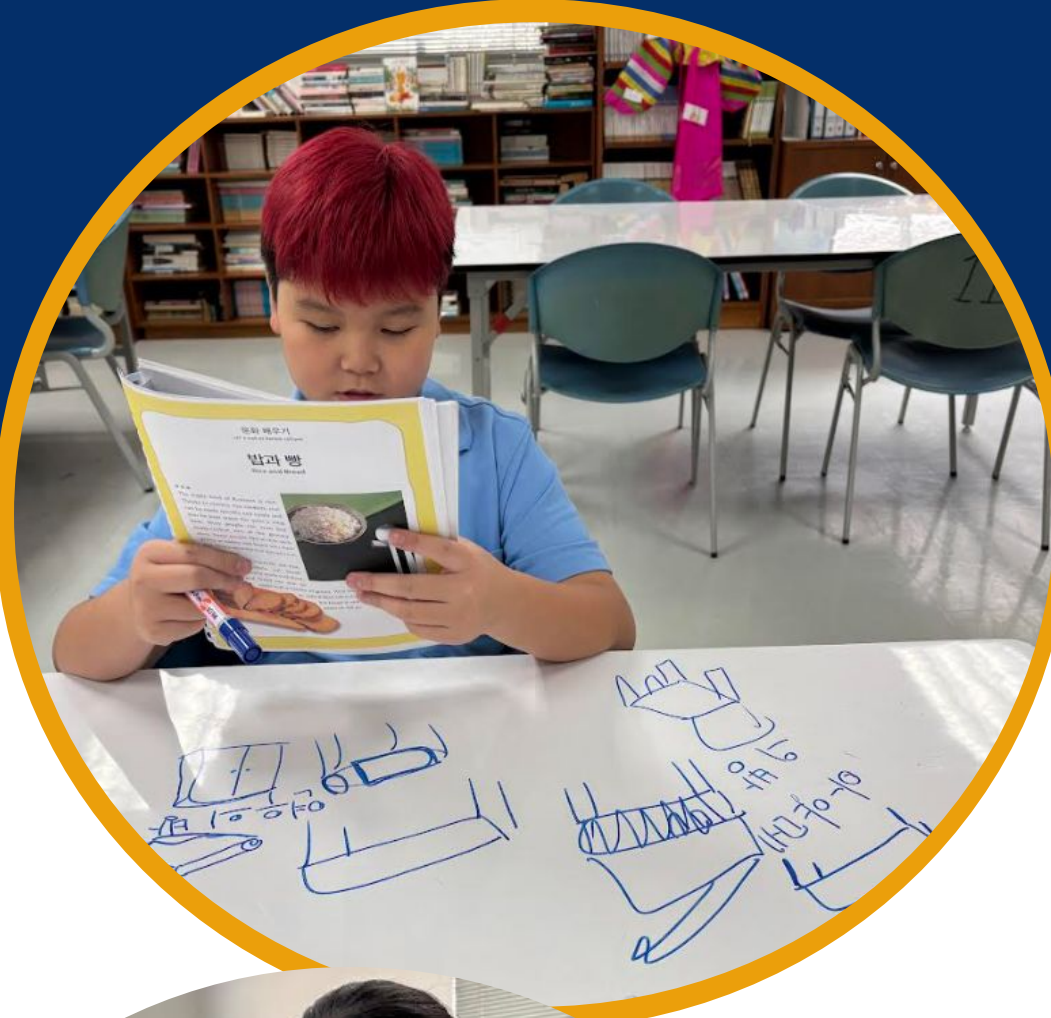

Your kindness and generosity will bring warmth and smiles to many children this season.

Secondary School Korean G6 & 7

Korean B Class

Students have been learning to read and write Hangeul through their own names as well as those of their family members and friends. As beginners in Korean, they started by practicing writing the Korean alphabet and are now expanding their language skills by learning words, expressions, and grammar related to their daily lives. They have also been introducing themselves and talking about familiar topics in Korean, building confidence in using the language in meaningful ways.

Secondary School IBDP PHYSICS G12

Exploring the Physics of Soap Bubbles

Physics can be found in the most unexpected places- even in a floating soap bubble. Our Grade 12 physicists explored the science behind these delicate spheres, uncovering how surface tension and air pressure combine to form their perfect spherical shape.

They also discovered that the bubble's shimmering colors aren't just for show — they're created by thin-film interference, where light waves reflecting off the inner and outer surfaces overlap to produce the swirling rainbow patterns we see.

What began as a playful activity soon revealed deep physical principles, linking beauty and mathematics in a single moment. Students came away seeing that science isn't just about numbers and equations, but about observing how the world works.

Coffee Morning
Every Friday**

Coffee Morning Every Friday

We invite our parents to enjoy the Eagles Cafe every Friday morning from 8:00 to 9:00 am.

Every Friday, the Eagles Cafe will be open to parents who wish to come inside and enjoy a coffee, tea, or snack.

Our leadership team, Ms. Emily Cave, Ms. So Hyoung An, Mr. Mark Vatsis, and Khun Krid Yoovithaya will also be available in the cafe during this time for informal discussions and simply to share a relaxing drink with our ISE parents.

Let's end the week together and start the weekend well by meeting at the Eagles Café... We hope you join us one Friday soon!
