ISE ANNOUNCEMENT Family Fun Fair

Dear ISE Community,

On Saturday, April 4th, 2026, the ISE Parent-Teacher Association (PTA) will celebrate our annual Family Fun Fair (FFF). This is a wonderful opportunity for the ISE Community and friends to join together for a day of fun and entertainment. This event will include a variety of activities for you to enjoy at our ISE campus.

Family Fun Day activities include: Sports activities for all ages, Children's Games, Local and international food vendors, PTA Raffle, Various shop vendors.

Family Fun Fair is a PTA fundraising event which will support PTA activities and student projects throughout the 2026/2027 school year. We will publish a Family Fun Fair banner 2026 with all of the participating vendors. We would be grateful for your support in this event. Please consider contributing to the PTA through a gift, a voucher or a financial donation for our PTA Raffle.

If you are interested in making a contribution to our event, please deliver the donations to Khun Pang at the main Office by March 25th.

For more information, please contact us at:

Phone: 095-910-7515, Ms.Janet

Email: ptainfo@ise.ac.th

We look forward to seeing you and your family and friends on April 4th at ISE.

Thank you for your support!

Sincerely,

ISE PTA

ISE ANNOUNCEMENT IB Art Exhibition

We warmly invite our community to visit the IB Art Exhibition, a special showcase of our students' work after two years of creative exploration and artistic development. This exhibition represents the culmination of their journey—where ideas, techniques, and personal expression come together to tell meaningful stories through art. Come and celebrate their creativity, dedication, and growth!

YOU ARE INVITED TO

IB Art

Junior & Senior
Prom**

ISE is pleased to announce that we will be hosting our annual Junior Prom (Grades 6–8) and Senior Prom (Grades 9–12) on Saturday, May 23, 2026, at Novotel Sri Racha. This year's theme, *The Great Gatsby: The Roaring 20s*, invites students to celebrate in formal attire inspired by the era.

All students are strongly encouraged to attend this special event. Permission forms have been distributed, and families are kindly asked to return them promptly to secure their child's place.

In preparation for the evening, the Prom Committee is seeking contributions of prizes for student activities and awards. Donations need not be costly; however, they should be appropriate for both middle and high school students. We greatly appreciate any support from our school community in helping make this event memorable for all attendees.

GET READY FOR FUN !!

THEME: THE GREAT GATSBY: THE ROARING 20S

Pre-k 3 & 4 Learning about the number 8

Pre-K 3&4 have been learning about the number 8. To help remember the shape, they made an 8-shaped road and a little race car out of recycled materials.

Combining maths with arts and crafts is a fun and meaningful way for young children to learn. As they drove their cars along the track, they followed the shape and connected the numeral to real movement and play. This hands-on activity helped strengthen number recognition and understanding of shape, whilst also encouraging creativity and fine motor development.

Learning truly comes to life when children can create, move and play with their maths!

ELEMENTARY SCHOOL OPERATION SMILE EASTER EGG HUNT FUN

This Thursday, our Operation Smile Club organized a joyful Easter Egg Hunt for our Elementary and Pre-K students. Children had a wonderful time searching for hidden eggs and discovering the surprises inside-some even found special prizes! It was a fun-filled celebration that brought smiles and excitement to our young learners.

A heartfelt thank you to all parents for your generous donations, helping give another child the opportunity to smile.

Songkran Activities THAI LEARNING Secondary

As we approach one of Thailand's most important celebrations, the Songkran Festival, the Thai for Non-Thai class has been preparing students through engaging and meaningful learning experiences.

Students participated in a traditional flower garland-making activity, allowing them to explore Thai culture hands-on while developing an appreciation for the significance of Songkran.

This activity helps students build cultural understanding and prepares them to take part in the festival with joy—celebrating and enjoying Songkran together.

Spanish Field Trip CULTURAL LEARNING

Our secondary school Spanish students enjoyed a special visit to a Mexican restaurant, where they explored Mexican culture and traditional cuisine. Students read the menu and in Spanish had to complete a booklet based on what they ordered and the ingredients in their dishes, making learning both practical and fun.

They tasted delicious foods such as burritos, quesadillas, nachos, and guacamole, along with desserts like churros, flan, and tres leches cake. It was a wonderful opportunity to practice the language in a real-life setting while sharing a memorable experience with classmates.
