ANNOUNCEMENT  
Junior & Senior  
Prom**

ISE is pleased to announce that we will be hosting our annual Junior Prom (Grades 6–8) and Senior Prom (Grades 9–12) on Saturday, May 23, 2026, at Novotel Sri Racha. This year's theme, *The Great Gatsby: The Roaring 20s*, invites students to celebrate in formal attire inspired by the era.

All students are strongly encouraged to attend this special event. Permission forms have been distributed, and families are kindly asked to return them promptly to secure their child's place.

In preparation for the evening, the Prom Committee is seeking contributions of prizes for student activities and awards. Donations need not be costly; however, they should be appropriate for both middle and high school students. We greatly appreciate any support from our school community in helping make this event memorable for all attendees.

# ISE COMMUNITY Songkran Celebration

Celebrating Songkran at ISE! 💧🌸

Songkran is the traditional Thai New Year, a time for family, reflection, and showing respect to elders while welcoming a fresh start. Water plays an important role in the celebration, symbolizing purification, renewal, and good fortune for the year ahead.

At ISE, our students and teachers came together to experience these traditions through a Thai dance and cultural presentation, a water pouring ceremony, and a variety of fun, hands-on activities such as coconut bowling, sand pagoda building, ring toss, and Thai dessert tasting.

A joyful and meaningful celebration that brought our community together—wishing everyone a happy, safe, and refreshing Thai New Year!

The Operation Smile Club celebrated the Songkran Water Festival with a joyful and meaningful event, bringing our school community together to close the term and welcome the holiday season.

Through fun water activities for both Elementary and Secondary students, we shared not only laughter and excitement, but also a sense of unity, compassion, and purpose. This year, we are incredibly proud to share that we raised a record-breaking amount of over 150,000 THB—the highest in the past five years. This achievement reflects the generosity, commitment, and heart of our entire community.

We extend our deepest gratitude to all parents, teachers, staff, and students for your continuous support and donations throughout the year. Because of you, we are able to make a real difference.

At the end of May, we will welcome an Operation Smile representative to receive the funds collected. These contributions will help provide life-changing surgeries for children in need—giving them not only a new smile, but also renewed confidence, hope, and opportunities for a brighter future.

Thank you for helping us change lives, one smile at a time.

## Songkran Activities THAI LEARNING Secondary

Students at ISE took part in the beautiful Thai tradition of building sand pagodas during our Songkran celebration. This meaningful activity symbolizes bringing merit and good fortune for the new year while honoring Thai culture and heritage. It was a wonderful moment for students to learn, create, and celebrate together.

## Spanish Field Trip CULTURAL LEARNING

Our secondary school Spanish students enjoyed a special visit to a Mexican restaurant, where they explored Mexican culture and traditional cuisine. Students read the menu and in Spanish had to complete a booklet based on what they ordered and the ingredients in their dishes, making learning both practical and fun.

They tasted delicious foods such as burritos, quesadillas, nachos, and guacamole, along with desserts like churros, flan, and tres leches cake. It was a wonderful opportunity to practice the language in a real-life setting while sharing a memorable experience with classmates.
