# ISE ANNOUNCEMENT

## Message from Interim HoS

Dear ISE Families,

Happy Friday, everyone! It's hard to believe that we only have 21 days left until the end of the school year on June 12. We have many exciting events and activities planned for the final weeks of school, so please be sure to mark your calendars. Full details can be found in the following pages of The Blast.

This week, students from KG through Grade 10 completed their MAP testing. Despite a few challenges along the way, our students approached the assessments with confidence and resilience. Due to some technical difficulties, we have had to reschedule a few testing sessions for next week. As a result, MAP test results will be sent home later next week rather than today as originally planned. Thank you for your patience and understanding.

Another challenge this week was the unusually heavy traffic caused by ongoing road construction and the start of the new term for many Thai schools. We will continue monitoring the situation closely and keep families informed of any significant updates. In the meantime, we will continue to accommodate late arrivals as best as we can.

We would also like to extend a huge thank you to all the families who joined us for the ISE Family Bowling Day this past Saturday. It was wonderful to see our community come together for such a fun and memorable event. Thanks to the generosity and support of our families, the Student Council successfully raised 25,900 THB! We are incredibly proud of our Student Council students for organizing such a successful event and grateful to everyone who contributed and participated. We hope to continue hosting more events like ISE Family Bowling Day in the future so that our families can come together, build connections, and enjoy time as a community.

On another exciting note, our Grade 12 IB DP students have officially completed their IB Diploma examinations—congratulations to all of our seniors for reaching this important milestone! We look forward to celebrating their accomplishments during the Class of 2026 Graduation Ceremony on Friday, May 29 at 4:00 PM in the FAC. We hope many families will join us in congratulating our graduates.

Looking ahead to next week:

- Our Grade 4/5 Science Fair will take place on Wednesday.
- On Friday, May 29, we will host our weekly Coffee Morning at 8:00 AM featuring two special topics: Languages at ISE and Parent Involvement at ISE. These sessions will be led by Mr. Mike Walton and Mr. Ocean Cheung. We warmly encourage all interested parents to attend.

Thank you, as always, for your continued support and partnership. We are looking forward to an exciting and memorable final few weeks of the school year!

Warm regards,

So Hyung An

## ISE ANNOUNCEMENT

**Calling Middle  
School Soccer/  
Football players!**

Dear Middle School Parents,

For families with students entering Grades 6–8 next year, we are excited to share a wonderful opportunity to participate in one of the first EAPISA sports tournaments of the school year!

Canggu Community School will be hosting their third annual **6x6 Soccer/Football Tournament** for Middle School students in Bali. We would love for ISE to participate in this exciting event.

To be able to join, we will need a minimum of 8 players, and ideally enough interest to form both a girls' team and a boys' team.

If your child will be in Middle School next year and is interested in participating, please scan the QR code below to express your interest.

Please note that we must inform Canggu Community School of our participation interest by **Wednesday, May 27**.

Thank you, and we hope to see many of our students involved in this exciting opportunity!

**Please take the survey if you're interested!**

**ISE  
ANNOUNCEMENT**  
**Vote NOW!**  
**The designs are IN!**

### **The Designs are HERE!**

We are so excited to share the final designs selected for voting for our official ISE jacket and hoodie! Please take some time this week to cast your votes so that ISE can proudly introduce two new additions to our school uniform collection.

The winning designs will be announced next week, so every vote truly matters!

To all students who submitted designs, thank you for your creativity, effort, and school spirit. We received so many thoughtful and impressive submissions that we honestly wish we could have chosen them all. It has been wonderful to see our students express their ISE pride through their creativity and design ideas.

We look forward to seeing the votes come in and celebrating our winning designs soon!

# BOWLING DAY COMMUNITY ISE FAMILY

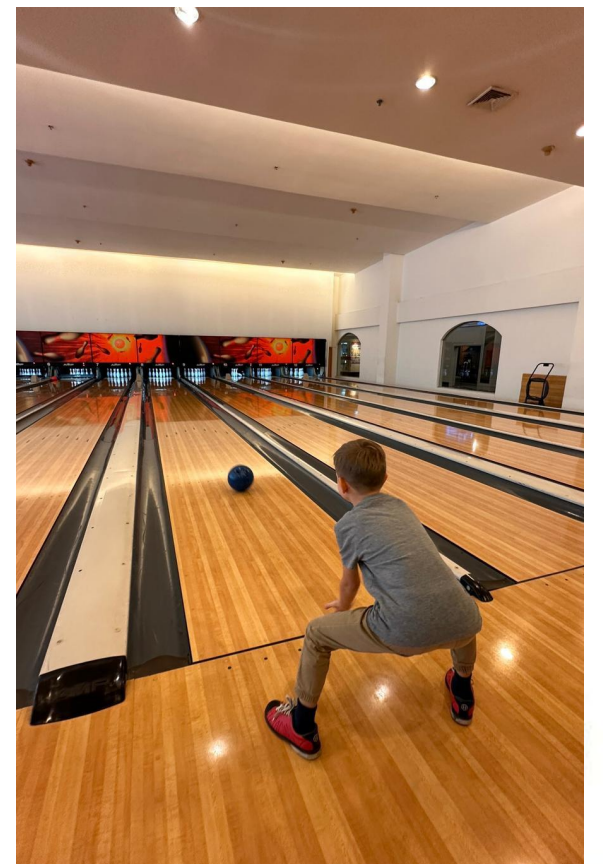

## 🎳 ✨ Bowling Day Fun!

Students, teachers, and parents enjoyed a wonderful and fun-filled Bowling Day together, sharing experiences, laughter, and building stronger connections as a community. A big thank you to the Student Council for this great idea, and special thanks to Mark and his mother for giving us this opportunity.

Thanks to the support and donations from our community, a total of 25,900 baht was raised! The Student Council will soon share how this money will be used to support future activities and projects. We hope to repeat this amazing event again soon!

## Spanish Field Trip CULTURAL LEARNING

### Scaring Germs Away!

Our young Eagle Explorers in our Monday ASA have been learning about science and culture by exploring how they connect to our own everyday lives and experiences. This week, the little scientists sprinkled talc onto water to represent germs spreading on our hands and on surfaces all around us. When the children dipped a cotton bud coated in soap into the water, the talc quickly moved away, creating lots of excitement and surprise!

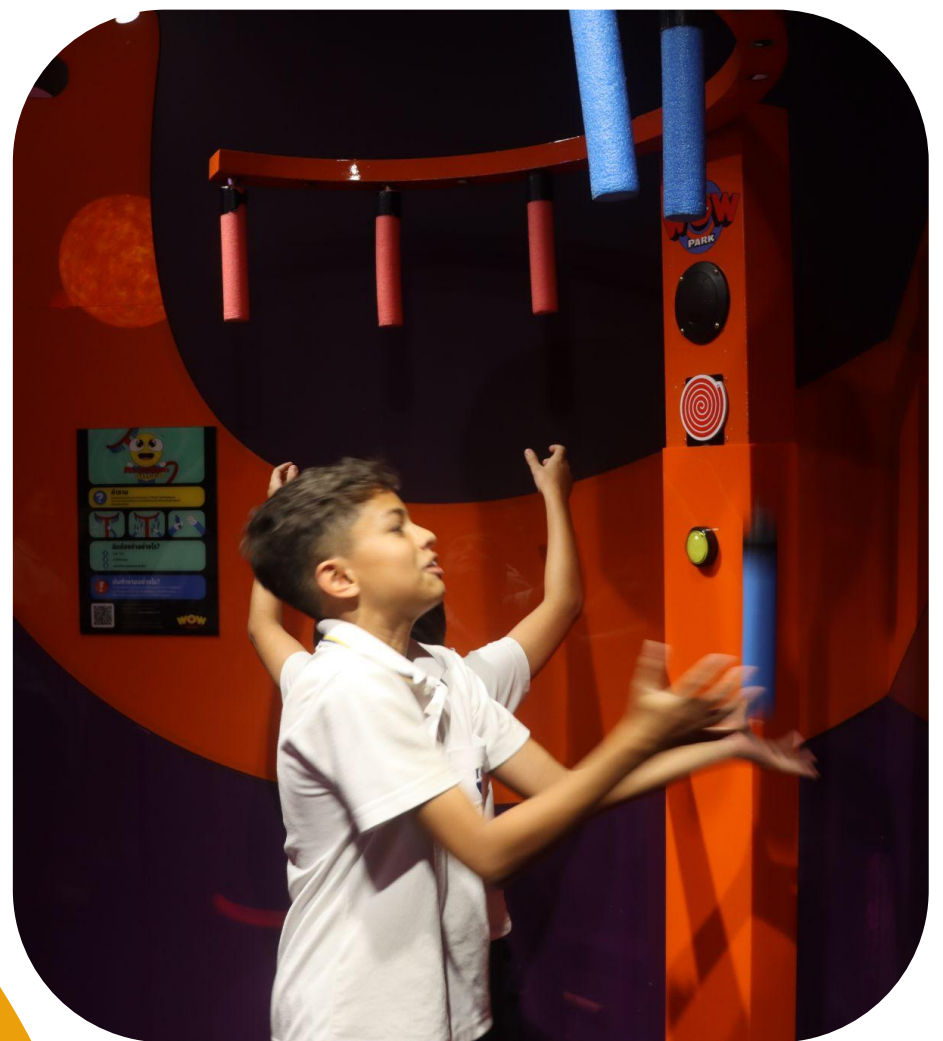

The activity helped the children see how soap works to push germs away, and reinforced the importance of washing our hands properly to stay healthy. It was a fun and memorable way to relate science to real life.

**G2-G5  
FIELD TRIP  
A trip to  
WOW Museum**

An exciting day of discovery for our Grade 2–5 students! During their visit to the WOW Park Museum, students explored interactive displays and engaging exhibits that made science and creativity fun and meaningful.

# ISE ANNOUNCEMENT NEST SHELTER

NEST is holding its final fundraiser of the year!

Next Saturday afternoon, we will be visiting the TMTRD dog shelter to deliver the funds we have raised, along with any additional donations collected over the next two weeks.

We are currently collecting items such as old blankets, toys, dog food, and treats to donate to the shelter.

Thank you for your support!

A tribute to the love, care, and  
sacrifice parents give every day

A circular illustration at the bottom shows a family of four—a father, mother, young boy, and young girl—embracing each other. Above them is a silhouette of an eagle with its wings spread. The background of the entire graphic is dark blue with a repeating pattern of small, light blue icons representing a house, a heart, and a graduation cap.

**HAVE AN AMAZING SUMMER BREAK!**

**ISE**  
**ANNOUNCEMENT**  
**Junior & Senior**  
**Prom**

ISE is pleased to announce that we will be hosting our annual Junior Prom (Grades 6–8) and Senior Prom (Grades 9–12) on Saturday, May 23, 2026, at Novotel Sri Racha. This year's theme, *The Great Gatsby: The Roaring 20s*, invites students to celebrate in formal attire inspired by the era.

All students are strongly encouraged to attend this special event. Permission forms have been distributed, and families are kindly asked to return them promptly to secure their child's place.

In preparation for the evening, the Prom Committee is seeking contributions of prizes for student activities and awards. Donations need not be costly; however, they should be appropriate for both middle and high school students. We greatly appreciate any support from our school community in helping make this event memorable for all attendees.
