ISE ANNOUNCEMENT Message from Ms. An

Dear ISE Families,

Happy Friday, everyone!

How are we already approaching the very last week of school? It feels like just yesterday we were welcoming students back for the start of the academic year, and now we are preparing to celebrate all that has been accomplished over the past ten months.

We have had an exciting week on campus. Our KG–Grade 8 students showed tremendous school spirit by participating in our themed days, bringing creativity, enthusiasm, and plenty of smiles to our hallways. Our Grade 5 students also had the opportunity to shadow our Grade 6 students and experience a "day in the life" of a middle school student. We hope this helped ease some of the nerves and build excitement for the transition to secondary school next year.

Meanwhile, our Grades 9–11 students completed their final examinations. We commend them for their hard work and perseverance throughout the exam period and look forward to celebrating a successful year of learning.

Reports for our younger Elementary School students will be sent home in Friday Folders along with MAP results and the 2026–2027 Academic Calendar. For students in Upper Elementary through Grade 11, final reports will be available on ManageBac on the last day of school.

As we begin wrapping up the school year, we have many activities and events planned to help students reflect on their accomplishments, celebrate their growth, and enjoy time together as a community.

A quick reminder for parents: could you please double-check that all library books have been returned? Every year, we discover a few books that have accidentally made their way into the wrong backpacks or homes after being borrowed by friends. We would greatly appreciate it if families could take a quick look around at home for any stray library books.

Secondary students received their End-of-Year Checkout Sheets during homeroom today. They will have the entire week to organize their materials and complete the checkout process. Please remember that all lockers must be completely emptied before the summer break, and students should take any locks home with them.

Looking ahead to next week, we have several special events planned:

- **Wednesday:** KG Graduation, classroom celebrations, and our Parent Appreciation Tea.
- **Friday:** Our Whole-School Breakfast Potluck, special end-of-year activities, the Grade 5 Graduation Ceremony, and our End-of-Year Assembly.

For those families who will be leaving a little earlier for the summer holidays, we wish you safe travels and a wonderful break. Thank you for being part of our ISE community this year.

As always, have a safe and restful weekend, and let's finish the year strong!

Warm regards,

Ms. An

The Whole School Theme Days

Creativity, fun, and school spirit were on full display during our Theme days celebration!

Students and teachers embraced the theme with enthusiasm, showcasing their creativity through costumes, activities, and plenty of smiles. It was a wonderful opportunity to come together as a community and make lasting memories.

Quiz Competition Korean Learning

On 23 May, our students participated in a lecture and quiz competition hosted by the Embassy of the Republic of Korea and organized by the Peaceful Unification Advisory Council. Together with students from Laos and Cambodia, they learned about peace and the history of the Korean Peninsula.

G5 Level Up Day

Today, we celebrated growth, achievement, and the exciting journey ahead as G5 students prepared to move on to the next stage of their learning. Level Up Day was a special opportunity to reflect on accomplishments, celebrate progress, and look forward to new challenges and opportunities.

Congratulations to all our students on reaching this important milestone!
