## Message from Ms.An

Dear ISE Families,

As another school year comes to a close, I would like to thank our students, families, teachers, and staff for a year filled with growth, learning, challenges, and memorable moments.

This year, we watched our students grow not only academically, but also in confidence, resilience, leadership, and character. From performances and athletics to service projects and leadership opportunities, our students continually challenged themselves and embraced new experiences.

Like all international schools, we celebrated new beginnings while also saying goodbye to valued members of our community. Through every change, one thing remained constant: our commitment to caring for one another and making ISE a place where students feel supported, valued, and at home.

Looking ahead, we are excited to welcome new faculty members, including Mr. John Moore as the Secondary Coordinator and Ms. Kim Allies as Elementary Coordinator. I will continue serving as Interim Head of School alongside our dedicated team as we work toward our shared vision for ISE.

Over the summer, we will be making several campus improvements, including the creation of a new central library, continued upgrades to our learning spaces, and progress toward our long-awaited indoor gym. We are also excited to introduce a new buffet lunch program focused on providing healthy and balanced meal options for our students.

Please remember these important dates:

- New Academic Year Orientation: Monday, August 10 (afternoon)
- First Day of School: Thursday, August 13

Thank you for your continued trust, support, and partnership. While we remain a work in progress, I am confident that together we are building something special.

I wish all of our families a safe, restful, and enjoyable summer. Take time to explore, read, reconnect with loved ones, and create lasting memories. We look forward to welcoming everyone back in August for another exciting year at ISE.

With gratitude,

So Hyung An  
Interim Head of School  
International School Eastern Seaboard
